How two women make love to each other

It's funny, but I never look at women the way I look at men. I've had sex with several women, but I never notice a cushy pair of titties the way I notice a man's high-rising dick.

I didn't notice much about Maureen when I first met her. And this chick has got the greatest pair of boobs I've ever enjoyed taking into my mouth. Grown women don't always make friends quickly, the way kids usually do. Compatible personalities often have less to do with adult friendships than situations that women share in common.

With Maureen and me, it was husbands who travel a lot. That was why we finally became friends and also why we became lovers. We'd been saying hello to each other in the laundromat for many months, but I still didn't know her name. To me, she was "Mrs. Purple Sheets."

We finally got acquainted at the department store one day, at the cosmetics counter. The first word out of Maureen's mouth was "Shit!" Then she explained. "My husband's off on a business trip again. I want something more than a blanket to keep me warm, if you know what I mean, but I've already read every damn book on the rack."

"I do know what you mean," I replied. "My husband travels a lot too." I told Maureen how I do exercises to try to use up my sexual energy whenever my husband's gone. Then I asked if she wanted to go over to my house for coffee.

We had a lot more than coffee together. The conversation turned to absent husbands and present needs. Finally I began thinking that Maureen and I might have something to offer each other. I began to "notice" her, and I liked what I saw.

She had big boobs and many pleasing curves on her body. Her hips, belly and tush seemed sufficiently full, but not overdone. And just by talking about sex—or the lack of it in her husband's absence—I could tell she had warmed up to the subject.

Waiting for my chance, I listened to her talk about how she always puts herself in the heroine's place when she reads romances. She even told me how she often runs a vibrator over her body as she reads. Not enough to get herself off, though. As the novel warms her cunt, so does the vibrator. When she's finished reading, she puts down the book, massages her boobs, and sticks the vibrator right over her clit. As soon as she does this, she told me, her body jumps and she has an instant orgasm. It's enough to satisfy her temporarily, but the next day she's horny all over again. "It's like a Chinese dinner," she complained. "You eat it, you're full, and then an hour later you're hungry all over again."

I was hungry for her. I watched the rise and fall of

her swelling boobs and felt a strong hunger to kneel between her thighs and teach her how two women make love to each other. But I didn't know if she'd ever felt the warmth of another woman's kisses on her body, if another woman's lips and tongue had savored her cunt. So even though my desire for her was very strong... even though my panties were already soaked with love cream, I took it slow.

While I wanted to feel her cunt against my mouth, and her mouth against my cunt, I only put my arms around her, assuring her that I knew exactly what she was talking about. But would she be willing to do something about it with me?

She let me hold her, as if to comfort her, and didn't pull away. I felt the beat of my heart in my cunt. It throbbed so hard that I didn't know how long I could hide my thoughts from Maureen. So I stood up quickly.

"Why don't you show me your exercise routine?" Maureen asked. It was the opportunity I had been waiting for. "Show me exactly how you do it and I'll try to go along." That was exactly what I wanted her to do, so I took her into the bedroom where I usually do my exercises.

"I don't know if I can do them well with clothes on," I said, itching to see if Maureen's face betrayed anything. It didn't, but it urged me to take my clothes off and I suggested that she might want to strip too. Without any hesitation, she did.

Her tits were in full display before my eyes. My legs felt weak for a moment when I looked at her pink breast skin, topped by deep-brown nipples. I immediately began imagining them in my mouth. I wanted so badly to take those boobs, one at a time, and draw them into the warmth of my mouth, as far back as they would go, and tenderly suck on them. Not just on the brown caps, but on the entire tits.

I could see the faint glitter of love cream on her pubes and on the top of her thighs, but I still didn't know how she felt about me. Could her glistening slit mean that I was making her hot?

I started the exercises with toe touching and watched Maureen's generous breasts flop up and down as she picked up speed. My own petite boobs were aching for the touch of Maureen's hot mouth. I leaned toward her so far that I started to lose my balance and nearly fell against her, who was facing me. But I pulled back in time.

Next I did the bicycle exercise on my back. My legs were upraised and supported by my hips. Maureen and I were side by side, and she was looking at my ass to make sure she was getting the hang of it. The exercise, I mean.

Did she ever stick her vibrator up her ass? I wondered. I had one in my dresser, just a few feet away. It was such a temptation to stand up, open the drawer, and show the toy to her.

I resisted the temptation and began doing deep-knee bends. Maureen was the one who fell this time, and she knocked me over and landed heavily on top of me. She was startled and apologetic. As she started to get up, my impulses were too strong to overcome. Her warm mounds of flesh were touching my sensitive nipples, and the feeling of her cunt lying on me was a temptation I could no longer resist.

I pressed my cunt hard against hers. She didn't try to break away, so I pressed harder. Our tongues collided and licked as my cunt juice began boiling and surging in waves. I put my hands on Maureen's boobs and held on. She lifted her chest so I could feel them all over. Then I placed my mouth around one of her tits, drawing it in as far as I could. Every time her firm, brown nipple touched the back of my throat it seemed like I could feel it in my cunt, as if her nipple were fucking me. I pressed my cunt so tight against hers that I lost control and her boob slipped out of my mouth.

I jumped on top of her and fitted my body to her curves. Then we began a rocking motion that stimulated our cunts even more. I reached down and

spread open my labia, and then Maureen's. The lips of my cunt were inserted into hers, and then I withdrew and spread myself open so our throbbing clits could make contact.

I stopped then, even if she hadn't wanted me to. I wrapped my arms around her and pulled her hot, sweaty body into my flesh. Our exercise session became a wrestling match as I put my mouth to hers and kissed her passionately. I then snaked my tongue between her lips.

At the instant I first felt her clit rubbing mine, I had an orgasm. Waves passed through my body. I screamed in pure joy as I ground my cunt against hers with all my might. Maureen slipped a hand between our breasts and rubbed my nipples with her thumb. Our cunts kept moving up and down against each other.

When my orgasm had passed and my body relaxed from the grip of it, I crouched down between Maureen's legs. I spread her labia again and drew my finger down her slit and across her clit. A shudder passed through her body. I tenderly touched her cream-slicked clit while her body kept rising up and down. Her boobs shook as sweat poured from her body and her muscles strained trying to climax.

"Help me!" she sobbed. "Help me! Make me come!" I lowered my mouth and took her little clit between my lips. I sucked it hard. My tongue licked and flicked until her cum poured out into my mouth. "It's tearing my body apart!" she screamed. ''I've never had an orgasm like this before."

My tongue continued to scrape her clit and I exulted in the taste of Maureen's delicious pussy.

Her scent was overwhelming. It was the musk of a very horny woman, and the smell stayed in my nostrils even after I finally moved my tongue off her clit. I wasn't satisfied with just one climax and I knew I would have to come again. I didn't want Maureen to cool off and think of leaving, so I helped her up and we got on the bed.

I kissed her pussy and tasted her juices on my tongue. She kissed me on the lips and tasted her own cum. Then she pulled away quickly. "Is that what I taste like?" she asked, in a voice filled with wonder and surprise. "Do you taste the same way?" I let her find out.

She got up on her knees and then lowered her head between my legs. My cunt was oozing and the touch of Maureen's lips on my clit sent a shockwave through my body. I responded lustily to her tongue work and she swirled it rapidly around my thoroughly aroused clit. This time I was able to hold back for a while before coming again. Maureen may not have had any previous experience at loving another woman, but she sure had great natural talent for it!

I decided it was time to 69. With my nose deep in Maureen's pubes, my tongue slithered eagerly into the cleft between her labia till it reached her clit. My nose was full of her scent and my mouth was full of her taste. She followed my lead and did exactly what I did to her. So when I thrust my tongue as far into her canyon as it would go, she did the same to me. And when I scraped her flushed inner labia, she scraped mine the same way. It almost felt as if I were making love to myself, although I knew I couldn't be licking my own pussy.

She came off first. Maureen pulled me closer and frantically lapped at my clit while her body convulsed and trembled under the onslaught of my tongue. Suddenly she had a strong climax, and I had another one too. ''I'm glad it was so good!" she exclaimed.

We exchanged a few more tongue-probing kisses. Then we fell asleep for a while, cradled in each other's arms. When we woke up, Maureen insisted on going home. But I knew she was not running out on me. I knew she'd be back often for some more of the love we had shared together that afternoon.

And I was right.

PERSONAL TRAINER

I was working as a fitness assistant at an upscale spa, and as the low girl on the totem pole, I was usually stuck with closing the center every night. This meant I had the lovely job of cleaning the men's and women's locker rooms.

One Friday night, I was trying to get done as quickly as possible so I could meet my friends at the bar. I was mopping the floor in the men's locker room, grumbling, when I heard a locker close behind me.

I screamed, whirled around, and there stood Paul. Paul was a guest at the spa and a real hottie for an older guy. (He must be in his thirties, I guess.) I had spotted for him all week when he was lifting weights. Back at home, I had fantastic orgasms thinking about him while I plunged my dildo deep into my pussy. Now he was wet and had nothing but a towel wrapped around his slender waist.

"Ohmigod, I'm so sorry," I said, backing up and moving toward the door.

"Lisa, it's okay. I'm glad you're here. I need your help." Paul was walking toward me. "I wonder if you can spot me. I'm having a little trouble with this weight." He let his towel slide off and revealed a big, stiff cock that was obviously in desperate need of release. I had seen several cocks in my 18 years, but nothing the size of this baby.

Without missing a beat, I walked over to him and grabbed his cock in my hands. I rubbed it up and down and kneaded his balls.

"This seems too heavy for you," I said. "You might need to get rid of some excess weight."

I kissed Paul's chest, sucking on his hard nipples. I kissed my way down his body until I knelt in front of him. His cock was poised just inches from my mouth. I kissed the head, which was oozing a few drops of pre-cum. I kissed my way up and down his shaft, my tongue flicking about lightly, teasing him. I got down to his balls and licked them gently. I took each one in my mouth and sucked. He moaned, so I moved my mouth back up to his cock, licking and slurping up and down his shaft, getting it all shiny and slippery with my saliva. Finally I took him down my throat, sucking harder. I moved one of my hands around his cock and pumped it up and down as I sucked harder and harder on his cock. Paul groaned louder and began grinding his cock into my face. His cock was jerking and twitching, and suddenly I felt the explosion of cum in my mouth. I kept my lips wrapped tightly around his shaft until every last drop squeezed out and disappeared down my throat.

I MOVED ONE OF MY HANDS AROUND HIS COCK AND PUMPED IT UP AND DOWN ...

Paul pulled me up from the tile floor and sat me on a bench. He ripped off my T-shirt and popped my small titties out of my bra. He grabbed one and put his mouth on the other. He moved his tongue in circles around my nipple, while he rolled my other nipple between his thumb and forefinger. I gasped. I loved having my tits sucked like that.

He moved his lips down the rest of my body, then slid my shorts off in one swift motion. I don't wear underwear. He buried his head in my shaved pussy while I lay back and spread my legs wide to give him more room. He rubbed his hands over my shaved mound and licked around my outer lips. He plunged his tongue deeper and deeper into my folds, teasing my clit. Soon he pushed a finger inside my tight hole. I was so wet that his finger slid easily into my pussy.

He pumped his finger in and

out of my pussy while he tongued and sucked on my clit. I felt the storm build up inside me and came in a fury, screaming and banging my feet, which were still in my sneakers, on the lockers beside us. Paul kept his tongue inside me, lapping up all my juices. Finally he pulled his finger out of my pussy and licked it.

He sat on the bench and pulled me up on top of his lap. His cock was hard again. I turned around and straddled him, sliding his cock up and down my wet slit. I lifted myself up, positioned his cock right at the opening of my pussy, and sat down hard, engulfing his huge cock in my tight, wet hole. Paul filled me up and stretched me wide. I put my knees on the bench and worked my way up and down his cock, taking him all the way inside. I humped him, gradually building up speed until I was hopping up and down on his cock so fast that I thought I would fall over. Paul was matching my rhythm, grinding his cock into me. He moved one hand from my firm ass and began playing with my clit. I came again, feeling my hot juices run out of my pussy in a stream.

Paul kept grinding into me harder and faster, and I knew he was on the verge. He groaned and let loose another load of jism, which filled my tight hole and dripped down my thighs.

Suddenly, Paul stood up with his cock still inside me. I clung to him, my arms around his broad shoulders and my legs wrapped around his waist. He walked us to the showers, and we continued our workout session under the pulsating water.

About a month ago, a new girl started on the fitness crew. She's supposed to be the one stuck with closing, but I still do it. You never know when a guest might need help with a workout late at night.

GIRLIE MAG KIND OF GIRL

My boyfriend Rob said that I should write to you about the first time we ever had sex together, seeing as how we did it because of a porn magazine! I didn't want to at first but he convinced me. My real name, of course, is not being used.

When we first started going out, I thought maybe he was kind of a perv—I mean, he had so many girlie magazines around. But then one day he was showing me some of the pictures and, well, it was making me a little bit wet down there. Plus I started wondering if my pussy looked as pretty as the ones in the magazine.

Rob told me to take off my panties so we could see and, even though I was kind of embarrassed, I did. Then he told me that my pussy was even prettier than those other girls', and he asked me if he could lick it. I didn't know if I should let him or not, since I was still a virgin. But he said it was okay, he'd just lick me and make me come, and I could stay cherry.

No boy had ever done that before—you know, put his tongue on my pussy—and so I was kind of nervous. But Rob said to relax and started kind of kissing on me. I don't have much hair down there, not like some girls, so it felt really good when he was licking on my pussy-lips. Then he put his tongue in between them, and that felt even better! He made his tongue all pointy and kind of slid it up and down my slit, and it totally gave me goosebumps.

When he got down to my hole, though, I was kind of embarrassed because I was already soaking wet! I think it was because looking at those pictures had made me, like, hotter, or something. He put his fingers in me a little, and I was so wet I could hear them squishing around. Rob said not to be embarrassed. He said that my being all turned on was really sexy.

HE MOVED ONE HAND FROM MY FIRM ASS AND BEGAN PLAYING WITH MY CLIT. I CAME AGIAN...

Well, it sure felt sexy, especially when he put his fingers farther up inside of me. It made me think of the magazine again, and how it'd

shown girls with pictures of toys inside their pussies. That made me wonder how it would feel to have something bigger up there, but I forgot about that when he started licking on my clit.

Gosh, all I could think about then was how good it felt to have him sucking on me like that. Pretty soon I was, like, moaning and stuff. His tongue was moving so fast on my clit that I could hardly stand it, and his fingers were going in and out of my pussy. I knew I was acting like a little slut, liking it so much, but I couldn't help it. After about five minutes, I knew I was going to come.

I was kind of embarrassed about coming in front of a boy and all, so I tried to stop, but there was no way I could. All of a sudden I was shaking all over, and my pussy was practically gushing all over his mouth. It felt so much better than when I do it myself!

I think I was probably screaming by then, but I didn't even care, I just wanted him to keep licking on my pussy. He did, too, till I was totally done. And then he just kind of sucked on me a little and wiggled his fingers some more. Well, that started me thinking again, and all of a sudden, just like that, I really wanted to have sex!

I guess Rob did too, 'cause when I told him he was all for it. He told me to lie back on the bed and spread my legs just like the girls in the magazine. He said my pussy looked really pretty that way, and that it made him hotter just looking at it. Then I felt his dick kind of rubbing on my hole. Jeez, I couldn't believe he was so hard already just from licking my pussy! And he got even harder when he started to put it in.

Having something pushed up my pussy felt just like it looked in the pictures—really, really good! I even got goosebumps again! Okay, it kind of hurt when he got it all the way in, but then when he started going in and out, it didn't hurt anymore at all. Rob told me I was tighter than anyone he had ever been with and that I was wetter, too, and that it really turned him on. Then he asked me to hold onto his balls while he was doing me, and so I did. I held them tight and I could tell he really liked that because he started groaning.

He was pushing into me even harder, and all of a sudden I realized that I was actually doing it, you know—I was really having sex! How often I thought about days like this . I think maybe I came a little then 'cause I got the shivers and my pussy was really tingling and I felt all excited again. Rob was getting excited too; he was breathing really fast, and I thought maybe he was getting ready to come. I must've been right, because all of a sudden he pulled out.

He told me to hold his dick and stroke it like we saw in the magazines, so I did. His dick was really hard and soft all at the same time, and it was all wet from my pussy, but he didn't seem to mind. So I squeezed hard, and pretty soon he was, like, squirting his stuff on my belly! I felt really good that Rob liked having sex with me so much that he came all over me!

I was still a little embarrassed that looking at those pictures had made me want to have sex, but Rob says that happens a lot. He says those magazines aren't just for guys. Well, I guess that's true because they sure make me excited. We always look at the magazine before we do it now, and I really like it, I just hope I'm not too weird!

HANNAH REESE

Hannah's looking for a modeling job to showcase her lithe body and smooth curves. It's just her luck that Bruce has a couple connections and is willing to give her some tips! He convinces her to get a feel for the camera. It doesn't take long before she's stripping down. Seems that she isn't as much of an amateur as we thought!
